

My name is Rachel Barnett, and I will be running for District III Vice President. I joined FBLA in the 8th grade, after being highly encouraged by our lovely coordinator, Mrs. Anderson, and ended up loving the opportunities it provided.

In that first year, I went on to place 3rd in Introduction to Business Communications and have competed each year since. This past year when serving as treasurer, I found that not only does FBLA give you crucial skills for the real world, it's an amazing way to meet new people you never would have. I remember being nervous to meet all of the other officers when we held our first meeting, but after just a few short hours, I left with new friends whom I still talk and work with today. When Mrs. Anderson asked me if I'd like to run for Vice President, I jumped at the opportunity to serve again, hoping that I could use the position to help other students get interested in joining FBLA and finding all of the amazing things it has to offer.
